

Notice to Customers Making a Payment By Check

Effective January 2013, the United States Court of Appeals for the Seventh Circuit will begin processing checks as electronic funds transfers. When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account, or to process the payment as a check transaction.

When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

Privacy Act – A Privacy Act Statement required by 5 U.S.C. § 552a(e)(3) stating the authority for soliciting and collecting the information from your check, and explaining the purposes and routine uses which will be made of your check information, is available at: <http://www.fms.treas.gov/otcnet/index.html>, or call toll free at 1-866-945-7920 to obtain a copy by mail. Furnishing the check information is voluntary, but a decision not to do so may require you to make payment by some other method.
