IN RE COMPLAINT AGAINST A JUDICIAL OFFICER

MEMORANDUM

Complainant, a federal prisoner, recently filed a civil suit. The district judge dismissed it after screening under 28 U.S.C. §1915A; complainant believes that the judge should have decided in his favor.

Any complaint that is “directly related to the merits of a decision or procedural ruling” must be dismissed. 28 U.S.C. §352(b)(1)(A)(ii). See also Rule 11(c)(1)(B) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings. “Any allegation that calls into question the correctness of an official action of a judge ... is merits related.” Standard 2 for Assessing Compliance with the Act, *Implementation of the Judicial Conduct and Disability Act of 1980: A Report to the Chief Justice* 145 (2006). The allegations of this complaint fit that description. If the judge erred, the remedy is by appeal rather than a complaint under the 1980 Act.
