No. 07-14-90060

IN RE COMPLAINT AGAINST A JUDGE

MEMORANDUM

Complainant has filed a judicial misconduct complaint against a judge assigned to his case. The complaint also is against a member of the court staff. The allegations are that the judge and staff person are part of a conspiracy with others including the President of the United States. The Judicial Conduct and Disability Act only applies to judges. See 28 U.S.C. § 351(a). The substance of the complaint is that the judge denied his request to file the complaint *in forma pauperis* in order to protect the defendant. Complainant requests appointment of counsel and a special prosecutor. The complaint contains nothing but bald allegations. There is no evidence of any impropriety.

Therefore this complaint is dismissed pursuant to 28 U.S.C. §352(b)(1)(A)(iii).
